10/16/68

Dear Harold-

Those 2 pages from CD 131 were <u>very</u> important, but I can't remember why. They were so important (at the time) that I almost ordered them for myself anyway. Hal did order them - of that I am certain. Take care.

Gary

1. Enclosed is what you wanted
2. If you are writing to Hal could you ask for my memos. If not, I will write in a week.
